Security Screening & Vetting

Course Fee **£145 per person**

Next Course Courses run on a regular basis – contact us for details

The importance of effective screening within the security business sector is paramount. It is a fundamental requirement for those wishing to comply with BS7858 and other industry codes of practice, to operate a stringent pre-employment vetting system. Skills for Security offers the Vetting Skills programme for administrators

Who is the programme for?

Screening personnel and other Human Resource professionals with screening responsibility.

What does the programme cover?

This one day Skills for Security certificated programme, covers all areas related to the sensitive and critical area of security screening. Topics include:

- The importance of accurate screening
- Collecting data for screening the prospective employee
- Procedures relating to screening
- Necessary documentation
- The statutory declaration
- Legislation affecting the process
- BS7858

Assessment will be made through formative Q and A assessment throughout the course.

What are the benefits of this programme?

This programme provides personnel involved with the screening process with the necessary information to enable the security screening process to be effectively and successfully undertaken. Successful completion of this course will result in a Skills for Security certificate of competence in Vetting to BS 7858
